## PROFILE

EHL Bachelor student with a strong analytical mindset and corporate experience. Skilled in organization, client relations, and problem-solving. Seeking a full-time position in hospitality investment, consulting, or development, with long-term interest in international mobility.

## EDUCATION

**EHL Hospitality Business School** – BSc in International Hospitality Management

Lausanne, CH | Sep 2022 – Jul 2026

Relevant modules: Corporate Finance, Hotel Asset Management, Real Estate, Corporate Strategy

**Saint François le Juvénat** – Baccalauréat Maths, Physics

Ville-la-Grand, F | Sep 2018 – Jul 2021

## WORK EXPERIENCE

**Community Associate Trainee** – IWG | Regus Airport & Balxert

Geneva, CH | Feb 2025 – Aug 2025

- Supported daily operations across two business centers (300+ clients), managing client requests and administrative follow-up while maintaining accurate records in internal tracking tools.

**Brand Ambassador** – Zerokay Sports

Geneva, CH | Sep 2023 – present

- Led on-campus brand activations at EHL (booth + prize-wheel), engaging students and collecting direct customer feedback to support brand visibility and sales.

**Event Intern** – Hôtel President

Geneva, CH | Feb 2023 – Aug 2023

- Supported the delivery of high-end private and corporate events (up to 300 guests), coordinating suppliers and internal teams to ensure smooth execution under tight deadlines.

**Grenadier Soldier** – Swiss Army Special Forces

Isonne, CH | Jan 2022 – Jul 2022

- Completed Swiss Armed Forces service as a Grenadier, developing discipline, resilience, and the ability to perform under pressure in team-based environments.

## PROJECTS & CERTIFICATIONS

**Hotel Asset Management Project** – EHL

Lausanne, CH | Oct 2025 – Dec 2025

- Built a 10-year forecast (rooms + F&B), CAPEX plan and valuation; evaluated value creation using IRR/NPV and sensitivities.

**Real Estate Valuation** – EHL

Lausanne, CH | Oct 2025 – Dec 2025

- Performed DCF valuation with sensitivity analysis; assessed key value drivers and risks.

**JPMorgan Chase Investment Banking Job Simulation** – Forage

Geneva, CH | August 2024

- Built a DCF valuation model and assessed an M&A target against strategic and financial criteria, incorporating a competitor bid and supply-chain disruption scenario.

**Amplify Simulation** – AmplifyMe

Geneva, CH | Jul 2024

- Completed the AmplifyMe Investment Banking simulation (Level 4) and developed practical exposure to valuation, trading mechanics, and risk management through live case exercises.
